The Traditional Cat Association, Inc. welcomes you to participate in our Thirty-Second Annual Purebred Traditional and Classic Cat Review. Electronic entries are available at <https://registry.tcainc.org> One the left hand side go down to Online TCA Show Entries and select your option for Purebred or HHP Show entries.. PayPal is available for payment of entry fees and shows up after entering the form, or clicking on the Paypal link at the top of the page. (<https://registry.tcainc.org/paypal/>)

**EACH CAT CAN BE ENTERED IN ITS OWN BREED CLASS, AND IN ITS OWN COLOR CLASS, AND IN ALL OF THE FUN CLASSES AS LONG AS A SEPARATE PHOTO IS PROVIDED AND ENTRY FEE IS PAID FOR EACH CLASS ENTERED.**

Cats are not required to be registered with TCA, Inc. in order to enter the photo shows. However, if they are registered with TCA, Inc. we highly recommend that the TCA, Inc. Registrations number and breeder be identified so that they can get credit for the success of your entry. Owners are not required to be members in order to participate in TCA, INC. photo shows.

Multiple pictures using the same negatives/photos are allowed for different classes. Photos taken within the past year, extending from June 15, 2023 to June 15, 2024 are eligible. That means you can have a kitten and take photos of it as a kitten, then when it reaches over 8 months of age and is an adult, you can take photos of that same cat as an adult and enter those photos in the SAME SHOW in both the kitten and adult classes! Many of the winning photos will be published in the TCA, Inc. Newsletter and Website; therefore, we require a release from the owner to reproduce them.

GIFT ENTRIES-Breeders or friends are welcome to make GIFT ENTRIES using photos of cats and kittens bred by breeders or photos of friends cats and kittens. The owner will receive all awards.

If you are not a member of TCA, Inc. but wish to join, check the box on the entry form, and enclose an additional \$15 to pay your dues (pro rated for the year). Youth classes are provided for persons under the age of 18. Classes here are limited to alters and spays.

Judging will be done using a three-judge system, with each judging separately without consultation with each other. A point system will determine the winners.
